

## Mission Trip Participant Role Description.

**Pipeline:** Participant

**Reports to:** Mission Trip Team Leader

**Vision:** Engage in God's mission (Rev. 7:9) through mission trips that impact the field and RHC.

**Commitment:** 1 mission trip - 4 to 10 days, depending on trip

### **Goals:**

#### **Impacts the Field**

- encourage the mission partner
- move the mission forward
  - serve the mission partner and their ministry in tangible ways
  - provide life-changing opportunities for locals through participants taking steps of faith to share Jesus

#### **Impacts RHC**

- transformed lives
  - develop in participants a deeper heart like God's for the nations
  - provide life-changing experience for participants through God working in/through them
- move the mission forward
  - display and declare Jesus in local sphere of influence
  - impact others through sharing about the experience
  - build a deeper connection between the mission partner and RHC

### **Responsibilities:**

#### **1. Preparation** (acceptance to departure)

- a) Complete action steps given by team leader or Global Missions Coach to prepare for trip
- b) Submit payments or raise financial support by set deadlines
- c) Complete all trip competencies
- d) Attend and participate in team huddles
- e) Pray! (especially for a heart that is humble, flexible and compassionate)

#### **2. On-location** (departure to return)

- a) Serve mission partner and ministry
- b) Encourage mission partner and build relationship
- c) Step out in faith, and walk in the power of the Holy Spirit
- d) Serve and love teammates
- e) Honor the Lord by respectfully following the trip leadership. Commit to lovingly confronting them, if you encounter an area of disagreement.
- f) Complete action steps given by team leader or mission partner

#### **3. Return and Share** (return to on-going)

- a) Complete action steps given by team leader or GM Coach to share about your experience
- b) Attend and participate in post-trip sharing and possible team huddle to debrief further
